Ma. Francine Paula Javier

San Pedro, Laguna PH | +63 961 750 9061 | mfpolajav@gmail.com

PROFILE

Adaptable and detail-oriented professional with a strong foundation in direct healthcare as a Registered Midwife, combined with over 3 years of experience in administrative operations, virtual assistance, and real estate support. Adept at managing schedules, high-volume communications, and sensitive client and clinical documentation with accuracy and strict confidentiality.

WORK EXPERIENCE

Disposition Assistant

Feb 2025 – October 2026t

Good Neighbor Solutions LLC

- Formulated, formatted, and tracked legal documents—including deeds, memorandums, and lien releases—ensuring precise compliance for county recording and filing.
- Coordinated directly with county recorder offices and title departments to submit documents, verify recording fees, and resolve filing rejections efficiently.
- Listed properties and drafted deal updates across public platforms, investment channels, and real estate broker networks to drive buyer reach.
- Maintained active communication with individual buyers, corporate brokers, and title entities to monitor transaction progress from initial listing to close.

Social Media Manager

Jun 2023 – Feb 2025

Your Eden Agency

- Created and scheduled content for Instagram, TikTok, and Reddit, increasing engagement by 30%
- Analyzed social media analytics to refine content strategies, leading to improved audience interactions.
- Collaborated with creative teams to maintain consistent branding across platforms, enhancing brand recognition.

Lead Generation Specialist

Feb 2023 – Feb 2024

ESP Solutions LLC

- Identified key decision-makers aligning with client profiles, enhancing lead quality by 20%
- Conducted outreach via email, SMS, and LinkedIn, increasing lead engagement metrics.
- Maintained clean contact databases, tracking outreach metrics to optimize future engagement strategies.

Registered Midwife II

Nov 2017 – Feb 2023

Dr. Jose Fabella Memorial Hospital

- Managed patient records and clinical documentation in a busy hospital setting, ensuring accuracy and confidentiality.
- Supported medical staff with day-to-day operations, improving workflow efficiency in a high-pressure environment.
- Developed strong time management skills, consistently organizing multiple tasks to meet tight deadlines.
- Delivered comprehensive maternal and newborn care, including prenatal checkups, low-risk vaginal deliveries, and postpartum care following DOH clinical protocols and RA 7392 standards.
